## FUNDRAISING

Groups are always looking for ways to give back and do good things for the world. The Koru Fundraising Program provides a wonderful means to do so.

- One or more of the following; novel solutions, healthy, fair trade, planet friendly, organic and non-toxic

- 75% are \$10 or less

- 70% made in North America

- 100% from American or Canadian companies

**Time from start to finish is about 6 weeks**

**Full sales support from experienced representatives**

**No minimum orders and no upfront costs**

**Koru Fundraising donates 1% of sales to member charities of One Percent For The Planet**

**Complimentary kick-off DVD from animation studio Planet Bonehead**

**By providing education and solutions Koru fundraising empowers groups to make a difference and be the change!**
